

Residents of Harris County MUD NO. 255

Effective **January 1st, 2023**, Best Trash will be your new trash and recycle collection provider

NEW TRASH COLLECTION DAYS WEDNESDAY & SATURDAY

NEW RECYCLE COLLECTION DAY WEDNESDAY

Best Trash will provide each residence one 18-gallon recycle bin

BEST TRASH will only service resident supplied trash cans up to 50 gallons or bags up to 40 lbs.

Please have trash and recycling out by **7:00 a.m.**

TRASH: On each regularly scheduled collection day, Best Trash will collect household trash (kitchen and bathroom trash) at the garage door on Wednesday and Saturday. Trash bags or containers must be accessible and visible near your garage door. Please allow up to 4 feet of space for the crew to go up the driveway to collect the trash. Trash containers must be between 30-50 gallons in size. Trash containers that belong to another company or are over 50 gallons will not be emptied.

EXCLUDED ITEMS: Dirt, rocks, bricks, tile, concrete, tires, batteries, motor oil, cooking oil, construction debris, waste generated as a result of a commercial business, waste generated by a private contractor, or any materials or items deemed hazardous materials. Please do not dispose of gasoline, motor oil, paints, cooking oil, or any other liquid items in a container that are not visible to Best Trash personnel. If such items result in spillage that causes a stain, Best Trash is not responsible for the cleanup. Best Trash will leave a tag explaining the reason for any non-collected item(s).

YARD & BULK WASTE: COLLECTED BOTH COLLECTION DAYS EACH WEEK AT THE CURB: Trees, shrubs, brush trimmings and fencing must be no larger than 4 inches in diameter, no more than 4 feet long, tied in bundles not exceeding 40 pounds. The tied bundles are required to allow quick pick up and size limitations are required to avoid damaging the equipment in the compacting process. Items such as appliances, furniture, mattresses, or carpet (**up to 1 room of carpet, cut less than 4 feet wide, tied in bundles not exceeding 40 pounds**) will be picked up on both garbage collection days at the curb. By Federal Law, refrigerators, freezers, and any other items containing Freon must be drained of Freon and have an accompanying bill to validate such service was performed.

RECYCLEABLE ITEMS: PAPER (including cardboard), PLASTICS (1-5, 7), ALUMINUM and TIN cans and GLASS (all colors)

Best Trash takes great pride in our recycle program. Ensuring the best recycle program for our customers takes time and effort on both sides. Please remove caps, liquids and food products from inside the containers. If items exceed bin capacity, please place them adjacent to the bin well marked as recyclable materials. Cardboard is recyclable. Please break down all boxes flat, and place them next to the recycle bin for collection. Please place your recycle out to the curb by 7 a.m. once per week on Wednesday.

BIN CARE & MAINTENANCE: Best Trash will provide each residence with **ONE** recycling BIN. Best Trash will replace any bins that are defective or otherwise become unusable due to normal wear and tear. Lost or stolen bins can be replaced for \$20.00 + tax each by calling Best Trash.

HOLIDAY SCHEDULE: If your regular trash or recycle collection day falls on a holiday (New Years, Independence, Christmas Days), the collection will be made on the next regularly scheduled collection day.
