

Exterior Modification Request CHECKLIST

This checklist is to ensure your modification request is ready for review by the approving body. The checklist is in the order of the modification request form, so you may check it off as you complete the request. **Please be sure to complete a separate request for each modification.**

DESCRIBE IMPROVEMENT: (Located on the request form)

- Explain what the improvement, addition, or change will be, or what it is currently is if already completed without approval.

SKETCH, DRAWING, OR PHOTO: (Attach to the request form)

- Attach a sketch, drawing, or color photo/brochure of what the modification will look like when complete. Or if already existing – attach a color photo of the completed modification.

DIMENSIONS: (Located on the request form)

- List the dimensions (width, length, and height) for each improvement/addition. Include slab and/or decking thickness for all flatwork.
- Play Systems: Standing platform deck(s) – list the height of each standing deck on the request form. Example: 4', 5'6", and 6'. (The standing deck height is the distance from the ground to the top of any standing decks.)

LOT SURVEY/PLOT PLAN OF HOME: (Attach to the request form. This document can be found with your closing paperwork. It is usually a legal-size document and shows a two-dimensional drawing of your house, lot lines, and easements.)

- Draw the location of the requested modification onto the lot survey/plot plan. Do NOT submit your original survey to us. Make a copy and keep the original for your records as you will not receive submitted documents back. This is necessary for each modification request being submitted.
***Applications not accompanied by a lot survey/plot plan with the modification drawn in will be denied.*

MATERIALS: (Located on the request form)

- All materials must be listed on the request form. If paint or stain will be used (even if the same as existing), list the manufacturer and color name and attach a sample. For lumber, list the type and whether it is treated. ***This section must be completed even if you are attaching a spec sheet or bid containing the information.*
